How to apply for a Direct Loan

Federal student aid regulations require students who borrow from the Direct Loan program – subsidized and unsubsidized- to complete an Entrance Counseling and Master Promissory Note (MPN for undergraduates) to ensure that you understand the responsibilities and obligations you are assuming.

Steps to complete the online entrance counseling and master promissory note are shown below:

1. Log into website: <https://www.studentaid.gov/>. (Using your FSA ID and password)
2. Click on the hyperlink “Loans and Grants”, then click on the tab “Loan Entrance Counseling” to start the session.
3. To complete the master promissory note, click on the hyperlink “Loans and Grants”, then click on the tab “Master Promissory Note MPN” for undergraduates.
4. For preparation, you must have the following information available. (a) your permanent address; (b) your driver’s license number and state of issuance; (c) name and address of two references who live in the U.S at different addresses.
5. You will be able to save proof of your counseling completion.
6. Don’t forget to select “submit application”.
7. Make sure to select that you want your information to be sent to our school, so that an electronic notification of your counseling will be sent to our office.

The Financial Aid Office is here to assist you with any questions regarding your student loan borrowing at Associated Barber College of San Diego, so when needed, please call us at (619)234-7703.

Sincerely,
