HEALTH AND PHYSICAL CONSIDERATIONS FOR BARBERING:

Prospective students should be aware of the physical demands required of a barber industry professional. Occupations in the barber industry generally require continued standing or sitting and constant use of the upper torso, shoulders, arms, wrist and hands, upper back and neck. Certain individuals may have allergies or sensitivities to the typical chemical products used in barber occupations. A student must be physically capable of performing all required activities conducted at the school and complying with all safety policies and procedures.

INDUSTRY EARNINGS

As with any career, the amount of income one can earn in the beauty and wellness industry is directly related to the amount of effort one applies to their career. Minimum efforts most likely will result in minimum earnings, while maximum efforts can lead to much higher levels of compensation. One's ability to earn income in the barber industry is very dependent upon one's ability to communicate, present oneself professionally, develop great people skills, maintain a positive attitude and perform excellent barber skills of the trade. The ABCSD curriculum is designed to teach students these skills to help them obtain an entry level position upon graduation and licensing, but the effort students put forth to learn these skills is solely up to them. In addition to the above earning considerations, earnings levels can depend on work location, tipping habits, competition, the discretion of your employer and/or the position held. Accordingly, since earnings are dependent on the efforts of the individual and other factors, ABCSD does not make any express or implied claim about the salary or wages that you may earn after completing your designated educational program.

This program may result in freelance or self-employment. The work available to graduates of this program is usually for freelance or self-employment. This type of work may not be consistent. The period of employment can range from one day to weeks to several months. Hours worked in a day or week may be more/less than the traditional 8-hour work day or 40-hour work week. You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills. Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.

Please see our School Performance Fact Sheet as it relates to the outcomes in the educational program you select and will contain wage and salary data for career occupations.

GENERAL EMPLOYER'S REQUIREMENTS

It is best if each barber has the ability to meet requirements set forth by employer or place of business. Most successful barber shops wish to employ skilled barbers with professional attitudes and work ethics. To be hired or contracted by a licensed barber establishment, it is recommended that as a barber you are skilled in barbering, punctual, willing to work an agreed upon schedule, comply with State Board rules and regulations and have excellent customer service.

DISCLOSURE STATEMENT REGARDING CRIMINAL PLEA/CONVICTION

On the BBC's Application for the Barber Exam, each student will be asked the following question: Have you ever been convicted of or pled no contest to, a violation of any law of the United States, in any state, local jurisdiction, or any foreign country? If the answer is yes, the student will be required to complete and submit BBC's Form C-01. The BBC will accept applications from applicants who wish to have their criminal history/convictions reviewed prior to beginning of school. Please see the Board of Barbering and Cosmetology website www.barbercosmo.ca.gov for information regarding this disclosure. A \$75 fee is due at the time the application is submitted. Fees for this application are paid by the student. BBC's Form C-01. http://www.barbercosmo.ca.gov/forms_pubs/forms/disc_crimpleas.pdf

The school is not responsible for a student's equipment, lost or stolen. Students must learn to be responsible for the tools of their trade. It is suggested by the school that all students keep their tools locked in their assigned locker when the student is not using them.

Students are required to go through their tool kit upon receipt and acknowledge that all contents are in working order. No exchanges will be given on any items in the student kit items after 1 week after the date of issue. Returns must be handled directly through the manufacturers.

OVER CONTRACT TIME CHARGES

(Financial Aid and VA will not pay for Over Contract Time Charges)

Students are expected to complete their training within the maximum time allowed as specified in his/her Enrollment Agreement. This time calculates between 94% and 100%. When a student has 93% attendance then the student exceeded the time frame outlined in the Enrollment Agreement. In this case, an extra time charge is required for the balance of hours required and/or the completion of course. An addendum to the enrollment contract will reflect the hours to complete and rate per hour and a new completion date will be determined. The current rate is \$20.00 per hour. This extra instruction time process will continue until the student has completed the course.

Example: If a student needs 100 hours to complete enrolled course at the time of the agreed upon completion date on the enrollment agreement, the over contract hour charges will be \$20.00 x 100 hours (\$2000) to complete the course. At that time a new completion date to complete will be granted and recorded on the enrollment agreement.

METHOD OF PAYMENT

Students are expected to contribute from their own family resources toward the student's cost of attendance. Payment plans are available from (ABCSD) and/or, private lenders.

All school charges must be paid in full before a Proof of Training Document and/or Official Transcripts will be issued. All school charges must be paid in full before credits may be released. Unpaid clock hours will be retained by the school until payment in full is complete. At the school's option in a case-by-case basis, clock hours paid may be released to the student.

FEE PAYMENT OPTIONS

Payments can be made using the following:

- Credit/Debit Card- This option can be made in our Admission office or on-line through our website under the Resources Tab. A 3% service fee will be added to the student's ledger for any credit card or debit card payment or purchase.

After one returned check from a student is received, no more checks will be accepted from the student. The student will be required to make all future payments via credit card, cash, money order or cashier's check.

ATTENDANCE POLICY

Your commitment to your agreed upon schedule is vital to your success in our barber school. We take our attendance policy seriously by enforcing the policy daily. Each student is asked to commit to a schedule prior to signing the enrollment agreement. The schedule will create the student a completion date on the contract. Good attendance will ensure graduation by the completion date. Our SAP policy states each student must maintain a cumulative average attendance level of 67% of the scheduled hours indicated on the enrollment agreement. However, if a student only maintains 67% of attendance, this will extend the length of their program, which result in over contract hour charges.

100% ATTENDANCE

It is our goal to keep each student at 100% attendance.

1. More than 100% attendance will affect your Title IV Funds. Please see Financial Aid Administrator for explanation.
2. Less than 93% attendance at the end of your course will put students in over contract charges. Contract hours are currently charged at \$20 an hour.

FIRST FOUR WEEKS: Each student will be required to maintain an 80% attendance for the first four weeks of school. If 80% attendance is not met, then enrollment will be terminated. It is at the Director's discretion to allow make up hours for the first four weeks.

SAP - Each student must maintain a minimum of 67% to meet SAP requirements.

ABSENCE POLICY

1. Saturdays are mandatory attendance for Barbering – 1500 Hours. An unapproved Saturday absence will result in a 2-day suspension, as per the Director's discretion. It is mandatory for each 1500-hour student to attend school on Saturdays unless approved by school administration 2 days in advance.
2. Students must notify the front desk before their start time if they're going to be absent.
3. Absence of three or more consecutive days without notification shall be considered cause for a 2-day suspension.
4. Be prepared to provide a medical excuse signed by a doctor if absences persist.
5. Excessive absences may result in termination of enrollment as per the Director's discretion.

TARDY POLICY

All students must clock in within 2 hours after their scheduled start time. If not, the student will not be able to clock in for the day. Please note that all time missed will count against scheduled hours. Tardy time missed will not be allowed to be made up unless with Director's approval.

SUSPENSIONS

1. If a student is suspended, the hours missed for the suspension will be counted against scheduled hours. Suspension time will not be allowed to be made up.
2. Three suspensions during the course could result in termination.

TERMINATIONS/WITHDRAWALS FOR ABSENCES

1. Any student absent 14 consecutive calendar days without notifying the Admissions Office will result in termination.

ATTENDANCE POLICY (Con't)

CHANGE IN SCHEDULE

1. You may request to change your schedule during your course. All schedule changes must be submitted in writing to the admissions office the week before the new schedule starts. All schedule changes must be approved by the Director or Associate Director. Once your schedule change is approved, the new schedule will start on the following Tuesday.
2. A schedule change that results in a different amount of hours per week will be a \$25 fee. This fee is payable in cash only. Title IV funds or VA benefits will not apply to this fee.

SICK/LATE/PERSONAL TIME OFF

A student enrolled in Barbering 1500-hour course will be allowed 100 hours of absences within his/her 1500-hour course for sick/late/personal time off. A student enrolled in Barber Crossover 400 hour course will be allowed 24 hours of absences within his/her 400-hour course for sick/late/personal time off. The student's contract graduation date on the Enrollment Agreement includes sick/late/personal time off.

REQUEST FOR TIME OFF

If student knows in advance that they will need SICK/LATE/PERSONAL TIME OFF, a Request Time Off Form must be submitted to the office and approved by the school administration. The request for time off must be less than 14 calendar days and will count against scheduled hours.

LEAVING EARLY POLICY

In order to be granted time off for leaving early, student must submit the Request Time off Form to the school administration and wait for its approval.

MAKE UP HOUR POLICY

Make up hours are **only** available for students who are eligible and have exceeded their allotted SICK/LATE/PERSONAL TIME OFF as stated in their Enrollment Agreement. Make up hours cannot be used to accelerate the contract graduation date. Each student that wishes to make-up time to eliminate over time charges, must have the Director's approval. See the school's administration for details of the policy and approval prior to make-up.

MISSING STUDENTS

If student is clocked in, not signed out on break sheet and cannot be found during a period of time (15 minutes) they will not get credit for any hours for the day.

CLOCK HOUR POLICY

Each student's hand scan will be registered in our school's software on Orientation Day. Students must clock themselves in/out daily using the palm scan. Students are required to be clocked in and out for school on or after the exact time of agreed upon schedule. (Not a minute earlier or later). While the student is clocked in, they are required to be engaged in a learning environment. All governing agencies will only recognize time if the student is engaged in a learning environment. A learning environment is defined as being on our school campus and engaged in barber related education while on campus.

LUNCHES

Each student MUST clock out when taking a lunch break. Students who fail clock in/ out for their 30-minute lunch or take less than a 30-minute lunch will be docked 1 hour per day. A thirty (30) minute lunch break shall be taken and clocked in/out when a student attends a 5-hour or more class day. If a student misses their lunch break, then they will be required to clock out after 5 hours. If the student attends less than 5-hour class day and desires to take a lunch break (30 minutes), then the student must have permission from an instructor. If a student needs to take an extended lunch, it is required to inform the instructor immediately.

It is the student's responsibility to adhere to the clock hour policy. Violation of this could result in immediate suspension

BREAKS

For every 6-9 hours of clocked in time, a student can take two 15-minute breaks. For a 10-hour day, a student can take three 15-minute breaks. These breaks must be taken separately, and the student must sign out on the break sheet when taking each break. The breaks cannot be combined unless the student has a medical reason to do so. If the student takes longer than 15 minutes per break, the student will be clocked out from the start of his/her break until returned.

LEAVE OF ABSENCE

Occasionally, students may experience extended personal, medical or other problems that make it difficult to attend class. The school may allow a student under such circumstances to take a Leave of Absence (LOA) from the program.

To request a LOA, the student must submit a written request for leave of absence in advance. If unforeseen circumstances prevent the student from doing so, the student will have to submit the request as soon as possible.

A written request can be submitted in person to our Admissions Office, or via email info@associatedbarbercollege.edu or by mail 1333 5th Avenue San Diego CA 92101. An email request must come from the email address the school has on file for the student.

The written request must include:

- the reason for the student's request,
- the start and end dates of the requested LOA
- the student's signature

Each leave of absence request will be considered on an individual basis and may be granted to a student at the discretion of the school. The student will not be charged any additional school charges as a result of the approved LOA. Students may be granted a Leave of Absence for a minimum of 14 calendar days to a maximum of 180 calendar days in one calendar year. These days can be accumulated from more than one Leave of Absence.

Example:

	<u>LOA START DATE</u>	<u>LOA END DATE</u>	<u>TOTAL DAYS</u>
First LOA-	March 1,2018	July 3,2018	124 Days
Second LOA-	September 21,2018	November 16,2018	56 Days
TOTAL DAYS TAKEN			180 DAYS

Students returning from an LOA will be returned to the academic progress standing they held prior to the start of the leave. Students who fail to return from an LOA on the approved date of return will be considered dismissed as of the last class day of attendance prior to the start of the leave. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. With an approved LOA, the student's contract period will be extended by the same number of days taken in the LOA. An addendum to the contract graduation date will be signed and dated by the student and office staff.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

Associated Barber College of San Diego expects all students to maintain Satisfactory Academic Progress (SAP) as established by this institution. Any prospective student should read and consider the SAP policy before enrollment. The school's SAP policy is applied consistently to all students enrolled in a specific program and scheduled for a particular category of attendance (part-time/full-time). SAP evaluation periods are based on actual hours of attendance.

SAP applies to all students regardless of whether they are receiving Title IV financial aid. Federal Regulations require that all schools participating in any Title IV Federal Financial Aid program must adhere to an approved SAP policy. As a Title IV Financial Aid recipient, you must maintain SAP to remain eligible to receive Title IV Federal Financial Aid.

Evaluation Procedures

Students will receive a printed copy of their SAP at each evaluation point. A signed copy will also be maintained in the student's file. This will ensure that each student is notified of their SAP progress and how it impacts the student's eligibility for Title IV Funds. Evaluation points are actual hours listed below:

- Barbering: When a student completes 450, 900 1200 and 1350 clocked hours
- Barber Crossover: When a student completes 150 and 350 clocked hours

Standards for SAP:

Quantitative (time-based) and Qualitative (grade-based) Standards:

1. Maintain a cumulative academic average of "C" (75%) or better on all tests, work projects (operations), final practical assessment and other required course work.
2. Maintain a cumulative average attendance level of 67% of the contracted hours indicated on their enrollment contract. For example, a student scheduled to complete 35 hours per week would have to maintain an average weekly attendance of at least 23 hours per week ($35 \times .67 = 23$). To determine your rate (pace) of attendance divide the cumulative number of hours completed by the scheduled hours to date.

Completion of Course Within Designated Period of Time

Full-time students attend 35-40 hours per week. Part-time students attend 30 hours per week. The State of California requires 1500 clock hours for Barbering Course and 400 Clock Hours for Barber Crossover Course.

3. Students are expected to complete their course within one and one-half times (150%) the length of the course as defined in the catalog. For example, a student who enrolls in the Barber program (1500 clock hours) must complete within 56 weeks and a student who enrolls in the Barber Crossover program (400 clock hours) must complete within 15 weeks. For determining the maximum time frame, transfer hours from another institution that are accepted toward the student's educational program are counted both as attempted and completed hours.
4. Students must meet minimum academic and attendance requirements for each evaluation period of the course to be considered as making satisfactory academic progress until the next scheduled evaluation. SAP evaluation periods are based on actual clock hours.

Maximum Time Frame

Students must complete the educational program within the maximum time frame which is based on attending at least 67% of the scheduled hours.

<u>Course</u>	<u>Length</u>	<u>Maximum Time Frame</u>
Barbering- (40 hour schedule)	38 weeks	56 weeks
Barbering- (35 hour schedule)	43 weeks	65 weeks
Barbering- (30 hour schedule)	50 weeks	75 weeks
Barbering- (24 hour schedule)	62.5 weeks	93.75 weeks
Barber Crossover – (40 hour schedule)	10 weeks	15 weeks
Barber Crossover – (35 hour schedule)	12 weeks	17 weeks
Barber Crossover - (30 hour schedule)	13.33 weeks	20 weeks
Barber Crossover - (24 hour schedule)	16.66 weeks	24.99 weeks

Exceeding Maximum Time Frame

Students who exceed the maximum time frame maybe terminated at the Director's discretion.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY (con't)

Grading System

Students are evaluated on a regular basis in theory and practical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. SAP forms are issued to the students upon completion of each increment of the course hours as explained above for student's review. This SAP form reflects the overall Attendance and Academic progress of the student. Students must maintain a minimum of 75% cumulative grade average or practical evaluation to maintain satisfactory academic progress status. The system detailed below is the system utilized in the school:

Grading Scale	
90% - 100%	Excellent
89% - 80%	Above Average
79% - 75%	Average
Below 75%	Failing - Unsatisfactory

Theory work is tested on all chapters of the textbook. Practical work is graded as each service is completed. An instructor will notify you immediately if the service resulted in failing work.

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are making satisfactory progress until the next scheduled evaluation.

WARNING

If a student fails to meet satisfactory academic progress standards for either attendance or academics at any evaluation point, the student will automatically be placed on a Warning and will remain in that status until the next evaluation point. At this warning a written academic plan will be agreed to by student and Director. (If both parties cannot agree on the academic plan, enrollment maybe terminated.) The student will be counseled regarding actions required. A student placed on a SAP Warning status may continue to receive FSA funds. The student will be counseled on the potential loss of eligibility of FSA funds, if applicable, and will be advised on steps necessary to correct the academic deficiency and be reinstated to good academic standing. If at the next evaluation period, the SAP standards are not met the student may appeal. The student will be placed on Probation and loses FSA eligibility (if applicable), unless the appeal is deemed successful.

PROBATION/APPEAL/REINSTATEMENT AND REESTABLISHING ELIGIBILITY PROCEDURES

A student who fails to meet satisfactory academic program after SAP Warning will be placed on Probation and loses FSA eligibility (if applicable). A student may appeal a probation determination of unsatisfactory SAP if they have a reason as to why they did not make satisfactory progress and if they can document that the circumstance(s) which caused them to have an unsatisfactory progress. The basis for filing an appeal, such as, death of a relative, injury or illness of the student, or other special circumstances must be documented. The written appeal must also include a statement of what has changed in the student's situation that will allow the student to meet the standards for SAP by the beginning of the next evaluation period.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purposes of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the school.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY (con't)

The student must submit a written appeal as to why he/she failed to make SAP to the school administration within five (5) business days of not making satisfactory progress or termination. If the student fails to appeal this decision, the decision will stand. If a student is terminated for gross misconduct, which includes, but is not limited to, reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, and threats and/or bullying, such termination is final and may not be appealed.

An appeal hearing will take place within five (5) business days of receipt of the written appeal. This hearing will be attended by the student, parent/guardian (if the student is a dependent minor), the student's instructor, and Director. A decision on the student's appeal will be within three (3) business days by the Director of Education and will be communicated to the student in writing. This decision will be final.

If the student's appeal is approved, eligibility for FSA funds will be reinstated for one evaluation period and the student will continue Probation status until the beginning of the next evaluation point. The original academic plan will be revisited with the student and revised to ensure conformance with the expected minimum SAP standards.

Students who do not appeal a determination of unsatisfactory progress and termination of FSA funds, or whose appeal has been denied, may continue school on Probation status for one evaluation period as a cash paying student. But the end of the Probation period, all students on Probation status will be required to have satisfied all standards for SAP. Students who fail to meet the standards for SAP by the end of the Probation period maybe terminated from school. Students who successfully meet the standards for SAP by the end of the Probation period will be reinstated to good academic standing and will regain their previous eligibility for FSA funds.

Results of the appeal and academic plan(s) are documented in the student's file.

LEAVE OF ABSENCE, INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

The Leave of Absence will extend the student's contract period by the same number of days taken in the leave and will result in no additional charges to the student. Course incompletes, repetitions, and non-credit remedial courses have no effect upon the school's satisfactory progress standards.

DETERMINATION OF WITHDRAW

ABCSD will determine a student's withdrawal as per the following:

- 1) a student who did not return from an approved Leave of Absence;
- 2) those who were terminated from enrollment by the school;
- 3) those who withdrew from the program and notified the school;
- 4) those who fail to attend classes for 14 calendar days.

RE-ENTRY POLICY

Students who withdrew and desire to re-enroll must request permission from the Director to re-enter the program. Upon approval, the /director will determine the amount of hours that will be accepted to re-enter. All re-enrollments will require a new enrollment agreement. The new enrollment agreement will be based on the current cost of tuition and fees. Please refer to the *Credit for Previous Training Policy* for more information. The institution reserves the right to evaluate the previous enrollment and to verify the student was in a good standing with tuition account paid up to the last date of attendance before the student is accepted for re-enrollment. A re-enrollment fee of \$250 will be charged.

Students who withdraw prior to completion of the course of study and have been approved by the Director to re-enter within six months of the original formal withdrawal date will re-enter at the same progress status as applicable at the time of withdraw. All student records are stored for six (6) years only and it is the responsibility of the student to maintain all documents received from the institution beyond the six-year period. The school reserves the right to evaluate the previous enrollment and to verify that the student was in good standing with ABCSD before the student is accepted for re-enrollment.

PRE-APPLICATION POLICY – Barbering Course

The BBC has the sole discretion to grant the pre-exam date and grants the pre-application process to students whom have no prior criminal record and is in good standing with the BBC. ABCSD offers this process as a privilege to each student. It is totally the discretion of the school to pre-apply a student. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students".

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR 99.31)
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone, number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about the directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school. CAREER COUNSELING AND PERSONAL ATTENTION

Students are counseled individually, formally and informally, as often as necessary, but minimally at each SAP to review the student's progress and adjustment. Students are given personal attention and assistance at every stage of training from the first day of enrollment. At predetermined intervals, measuring instruments are utilized to evaluate the rate and quality of the student and remedial assignments are made when required. Particular attention is given for the preparation of the Board of Barbering Examination. Successful Barbers, Shop/Salon Owners and Stylists are scheduled to give demonstrations and to discuss career goals, etc., with the students. These activities supplement the daily counseling carried out by the instructors and supervisors. Students may request additional counseling sessions at any time.

VOTER REGISTRATION FORMS

We encourage all of our students to register to vote. Voter registration cards available in the office.

REGISTERED LIST OF SEX OFFENDERS

The registration list of sex offenders is available on line at: <http://www.meganslaw.ca.gov/>. If a student needs assistance in viewing this list, our office staff can be available to assist.

STUDENT SERVICES (con't)

JOB PLACEMENT

Job placement assistance is provided to graduate students at no additional charge, but the school gives no guarantee of employment nor does the school use placement data as an incentive to entice prospective students to enroll. Notices are posted on the student bulletin board of jobs available from neighboring Barber establishments.

Just prior to graduation each student is given an exit interview. During this interview the student is provided the opportunity to review a current listing of employers who have positions available. Students are advised that the school maintains a current listing of job opening opportunities and the graduate is encouraged to check back with the school at any time after the graduate has passed the State Board exams and received their license for assistance with employment. The graduate is also encouraged to keep in contact from time to time with the school to keep us abreast of his/her progress, employment status, and provide feedback on the scope of the training the student received at the school.

The school does not guarantee job placement and makes no claims as to wages or level of income. However, instructors teach interviewing techniques and assist graduate in locating employment.

HOUSING

Associated Barber College of San Diego does not have dormitory facilities under its control. It is the student's responsibility to find their own housing, it is not the responsibility of the institution. The availability of housing depends on the housing market at the time of enrollment. Please refer to www.sandiego.gov/housing for information on housing near our College. This website will give you ample information on the availability of housing located reasonably near the institution's facilities and an estimation of the approximate cost or range of housing. San Diego's overall cost of living is 36% above the national average, with housing costs, including apartment rentals, taking up a large chunk of residents' finances. The median price of apartments is \$760, with the average price of all two-bedroom apartments for rent running at \$1,200. The vacancy rate tends to be very low—less than 1% in recent studies—which means it can be difficult to find good apartments in your price range.

LOCKERS

Our school provides each student with a locker. We will assign each student a locker on request. Please provide a lock with two keys. One key will be retained by the school. On graduation day, please clear out the locker and retrieve your second key. Any personal items left in lockers after one month of graduation will be donated to charity.

ABCSD shall be considered in default of the enrollment agreement when an educational program is discontinued or canceled or the institution closes prior to completion of the educational program. If ABCSD is in default, student's institutional charges may be refunded on a pro rata basis if the bureau determines that the school has made provision for students enrolled at the time of default to complete a comparable educational program at another institution at no additional charge to the students beyond the amount of the total charges in the original enrollment agreement. If ABCSD does not make that provision, a total refund of all institutional charges shall be made to students.

Prior to closing, ABCSD shall provide the bureau with the following: (1) Pertinent student records, including transcripts, as determined by the bureau, pursuant to regulations adopted by the bureau. To carry out the Principles of Excellence for Educational Institutions Serving Service Members, Veterans, Spouses, and Other Family Members, ABCSD commits to provide the Shopping Sheet to veterans and service members before they decide to attend the institution.

EVALUATION OF CREDIT FOR PREVIOUS TRAINING

ABCSD is governed by The California Board of Barbering and Cosmetology (BBC). BBC only grants credit for our courses if the previous training was taken in an approved California Barber or Cosmetology school. If this is the case, ABCSD will maintain a written record of the previous education and training of veterans and eligible persons. The student's record will clearly indicate that the credit has been granted, if appropriate, with the training period shortened proportionately and the student notified accordingly, per 21.4253 (d) (3). If there is not credit to be granted, ABCSD will have the student acknowledge no credit is granted prior to enrollment.

FEDERAL STUDENT AID (FSA)

ABCSD is approved for and participates in the Department of Education (ED), Title IV; Federal PELL Grant Program (FPELL) and Federal Direct Loan Program (FDLP), (Subsidized Federal Direct Loan, Unsubsidized Direct Loan, PLUS) is intended to defray the costs of attending for those students eligible for financial aid considerations. Effective 07/01/2019 The Department of Education approved the school to participate in the Federal Supplemental Educational Opportunity Grant Program (FSEOG)

ABCSD offers financial aid for students who qualify. Qualified students are able to apply for and receive Federal PELL Grant, Federal Direct Loan Program (FDLP) while attending college. FPELL is a gift from Federal Government for the students who qualify. Students do NOT need to pay back the FPELL. There are no payments due for the Subsidized and Unsubsidized loans until six (6) months after the student leaves school. This departure date refers to graduation, as well as early withdrawal. If the student does not finish the program, ABCSD will refund any unused tuition back to the lender; however, the student is responsible for any funds kept by ABCSD for tuition needs.

FEDERAL STUDENT AID (FSA) (con't)

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance for both direct and indirect costs. Financial aid includes grants and loans. Grants do not have to be repaid. Financial aid is awarded to students who have "need". Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

GRANTS

Federal Pell Grant

This federal student grant program is designed to provide assistance to any eligible undergraduate pursuing a post-secondary school. The value of a 2018-2019 Pell Grant varies from \$606 to \$6,095 depending on the expected family contribution and cost of education. This program is the foundation for most financial aid awards. Effective 07/01/2019, (2019/2020 Award Year) the maximum amount is \$6,195 and the corresponding maximum Pell Grant eligible expected family contribution (EFC) is \$5,576.

Federal Supplemental Educational Opportunity Grant (FSEOG)

This Federal Grant program is a Campus-Based Fund awarded to schools. The minimum SEOG amount awarded is \$100 - \$4,000 per academic year. The amount is subject to proration for less than a full academic year. Fund eligibility is based on funds available and priority is granted to students with "exceptional need". Student's with "exceptional need" are defined as those with a 0 EFC. Available funds may be extended to students with a higher EFC based upon availability of funds.

LOANS

Direct Subsidized Loan

This program is a low rate, long-term loan program for undergraduate students who have demonstrated financial need. The U.S. Department of Education generally pays interest while the student is in school and during certain other periods. The maximum a student may borrow at ABCSD is \$3500 for the first academic year and the \$4,500 for the second academic year, which is subject to proration for the Barbering Program.

Federal Direct Subsidized interest rates are capped at a 5.05 percent interest rate for July 1, 2018 and June 30, 2019. Repayment is required to begin six months after the student completes or terminated his/her education or becomes less than a half-time student. The interest rate changes effective July 1, 2018 and can be obtained on-line at StudentAid.gov/interest or at the financial aid office.

Direct Unsubsidized Loan

This program is a federal loan program designed to allow students who do not qualify for federal interest subsidizes under the Direct Stafford loan program to obtain an unsubsidized loan. The borrower is responsible for all interest. Financial need is not required. The maximum amount an independent student may currently borrow at ABCSD is \$6,000 in addition to the Direct Stafford loan for the first and second academic years. The maximum amount a dependent student may currently borrow is \$2000. The second academic year loan amount is subject to proration for the Barber Program.

If a student does not qualify for a Direct Stafford Loan or some portion of the loan, he/she may borrow the remaining amount under Direct Unsubsidized program. The interest rate is capped at 5.05 percent interest rate first disbursed between July 1, 2018 and June 30, 2019. The interest rate changes effective July 1, 2018 and can be obtained on-line at StudentAid.gov/interest or at the financial aid office.

FEDERAL STUDENT AID (FSA) (con't)

Direct Plus Loans

This is a competitive interest rate loan that provides additional funds to help **parents** pay for the educational expenses of a dependent student. The interest rate is 4.248 percent interest rate for loans first disbursed between July 1, 2018 and June 30, 2019. The interest rate changes effective July 1, 2018 and can be obtained on-line at StudentAid.gov/interest or at the financial aid office. Repayment begins approximately 60 days after the first disbursement of the loan. The maximum amount to borrow is based on the cost of attendance minus any estimated financial assistance awarded during the academic year.

The borrower is responsible for all interest and the student must be enrolled at least half-time. Financial need is not required and the borrower may not have adverse credit. An adverse credit situation will allow the student to borrow additional unsubsidized loan funds.

APPLICATION FOR FINANCIAL AID, PROCEDURES AND FORMS

The financial aid application is the Free Application for Federal Student Aid (FAFSA). This form needs to be completed as instructed on line at www.fafsa.gov. Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at ABCSD during the administrative office hours. In addition to the FAFSA, ABCSD requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances.

DEADLINE: FAFSA application must be submitted to FAFSA.ed.gov on or before October 1 in the prior year on which the application is intended. SAR or ISIR must be submitted to the financial aid office by August 29 of the award year from which aid is requested from, or your last day of enrollment in the previous award year, whichever comes first.

RENEWAL PROCESS: An SAR or ISIR is valid for one award year (July 1 to June 30 of the following year), and it is NOT automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the NEW SAR or ISIR to the financial aid office.

PROFESSIONAL JUDGMENT (PJ): ABCSD may exercise professional judgement to accommodate student with special situations. PJ allows the Financial Aid Office to exercise its judgement based on students who apply for federal student aid and have extenuating circumstances that do not conform with standardized policy or procedures. ABCSD will not accept professional judgement decisions made by other schools or universities. If there are unusual circumstances that has occurred, please discuss it confidentially with the Financial Aid Office.

For additional consumer information on Federal Financial Aid programs, request "Funding Education Beyond High School" published by U. S. Department of Education.

FEDERAL STUDENT AID (FSA) (con't)

DETERMINING NEED

The information you report on the FAFSA form when you apply for aid, is used in a formula established by US Congress that calculates your Expected Family Contribution. ABCSD utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form on an Electronic Student Aid Report (SAR) with the calculation of the Expected Family Contribution (EFC).

Financial Aid need equals the difference between the stated costs of attending the college minus the resources available to the student. Stated cost includes, tuition, fees, books, supplies, room, board, transportation, personal and related expenses of a student based on their status with parent or away from parent.

The estimated family contribution is based on the federal government the amount of funds the financial aid applicant and/or parents can contribute toward meeting educational costs.

FEDERAL STUDENT AID (FSA) (con't)

VERIFICATION SELECTION, COMMENT CODE SELECTION OF INFORMATION

ABCSD has policies and procedures to verify certain applications that are selected by Central Processing System (CPS). In rare instances, ABCSD's financial aid office may elect to verify the application to resolve any questions he/she may have regarding what has been reported on the Free Application for Federal Student Aid (FAFSA) or other documents provided in the student's file. Verification requirements (V1, V4, and V5) are applicable only to FSA recipients. ABCSD has chosen to verify 100% of its **selected** applicants. ABCSD will request students'/parents' tax transcripts of the applicant who is selected for verification by the U.S. Department of Education ("ED"). The selected applicant may be requested to provide other pertinent document to complete the verification requirement within thirty days (1 month). CPS matches the application data to several databases, including the National Student Loan Data System (NSLDS) and other agencies to flag certain items. Items, which are questioned, must be resolved before disbursing funds to the student. When the CPS processes an application, it uses the applicant's social security number, name and date of birth to perform several edits with federal databases. Certain data match edit can result in comment code, or "C" code, that are indicated on the Institutional Student Information Record (ISIR) and must be researched and cleared prior to federal aid processing. If a "C" code is present on the ISIR, the financial aid office will request documentation from the student to determine eligibility. ABCSD's financial aid office is required to resolve any conflicting information for an applicant. Conflicting information is not exempt from verification requirements. ABCSD will not disburse FSA funds until the student has completed required verification and resolve conflicting data. No interim disbursement will be made. The student will be advised upon completion of the verification process.

DURATION OF AWARD

Financial Aid awards are made in two payment periods. These funds are posted to the student's account each payment when successfully completed. To continue eligible for receiving an award, a student must:

- Be in good standing with the school;
- Continue to demonstrate financial need;
- Maintain satisfactory academic progress;
- Complete all required financial aid applications each academic year.

Continued awards are contingent upon submitting a FAFSA timely and successfully completing the actual hours to receiving the subsequent payment period.

GRADE LEVEL DEFINITION

Grade Level 1 - A student's eligibility in the Barbering program is considered first level until the student has completed 900 clock hours and 26 weeks.

Grade Level 2- A student's eligibility in the Barbering program may progress to the second year funding, provided 900 clock hours and 26 weeks have been completed.

TUITION AND FEES REPAYMENT

Repayment – When a student received Title IV aid funds for living expenses and then withdraws, Financial Aid Administrator will determine if the amount owed by the student received in excess of calculated living expenses for the enrollment period.

FEDERAL STUDENT AID (FSA) (con't)

TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM PROGRAM

Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the 60 (sixty) percent of the payment period in program, the student would have earned the same percentage of aid received. For example, if the student withdraws at fifty percent of the payment period, the student would have earned only 50 percent of the aid received or eligible to have received. To determine the percentage completed, the scheduled hours of class will be divided by the total hours in the payment period. Unearned aid will be returned to the programs in accordance to the guidelines described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

RETURN OF TITLE IV FUNDS

Special note to students receiving federal student aid Unsubsidized/Subsidized/PLUS/Pell Grants or other aid: If you withdraw from school prior to the completion of the equivalent to 60 percent of the clock hours in any given payment period up to the last day of attendance, a calculation using the percentage of clock hours completed will be applied to the funds received or that could have been received that will determine the amount of the aid the student earned. Unearned funds would be returned to the federal student aid program in the order stated below by the school and/or the student. Funds owed by the student to the Federal Grant programs are limited to 50% of the award per grant program received. Sample Calculation completion of 25% of the payment period earns only 25% of the federal student aid disbursed or that could have been disbursed for the payment period. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by ABCSD during the payment period. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) the federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) the student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

INSTITUTIONAL REFUND POLICY

You may withdraw from ABCSD at any time after the cancellation period (described above in Student's Right to Cancel Par. #1) and receive a pro-rata refund within 30 days of withdrawal if you have completed 60% or less of the payment period of attendance, which is based on scheduled clock hours up through the last day of attendance. Your refund will not include your registration fee (not to exceed \$100) or any opened/used books/tools/supplies. Any unopened/unused books/tools/supplies must be returned within 7 days of withdrawal for a full refund.

For the purposes of determining a refund under this section, a student's official cancellation or withdrawal shall occur on the earlier of the dates of any of the following circumstances:

- A student's application is denied by ABCSD, the applicant will be entitled to a full refund.
- The student notifies ABCSD of the student's intent to withdraw in writing.
- ABCSD terminates the student's enrollment for failure to maintain Satisfactory Progress; failure to abide the Conduct Policy or Student Rules of ABCSD, failure to abide the ABCSD's Attendance Policy and/or failure to meet financial obligations to ABCSD.
- The student has failed to attend class for 14 calendar days, as determined by palm scan not recorded in the student's clock hour attendance record.
- Failure to return from a Leave of Absence (LOA). The date of the student's withdrawal shall be the earlier of the scheduled date of return from the Leave of Absence or the date the student notifies ABCSD that the student will not be returning.

All refunds are calculated based on the student's last date of attendance and are based on scheduled hours in the payment period, not actual hours attended in the payment period.

If the student's tuition was paid from proceeds of a loan or third party, the refund shall be sent to the lender, third party or to the state or federal agency that guaranteed the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of benefits received, and any remaining amount shall be paid to the student.

If the student defaults on a federal or state loan, both the following may occur:

- a. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- b. The student may not be eligible for any other federal student financial aid at another school or other government financial assistance at another school until the loan is repaid.

RETURN TO TITLE IV REFUND POLICY AND DISTRIBUTION ORDER

ABCSD adheres to the refund policy as published in the school catalog. The refund distribution order is applied as follows:

1. Federal Direct Unsubsidized Stafford Loans
2. Federal Direct Loan Subsidized Stafford Loans
3. Federal Direct Loan PLUS Loan
4. Federal Pell Grant
5. FSEOG
6. Student

If all required Title IV funds are returned based on the Return to Title IV calculation and a credit balance exist, the credit balance must be refunded directly to the student. A student who graduate and a credit balance exist must provide written authorization to return funds to their Title IV loans. Without authorization excess proceeds will be sent directly to the student.

HYPOTHETICAL REFUND

This is a calculation mandated by the school itself. Registration and STRF fees are non-refundable.

HYPOTHETICAL REFUND EXAMPLE	
Assume you, upon enrollment in a 1500-hour course, paid \$5,000 for tuition & tools, \$100 for registration, \$0 for STRF fee, you did not return your books/tools of 1,482.15, and withdraw at 350 scheduled clock hours in the payment period... You were charged \$3,115.00 for the first period of enrollment:	
<u>Total Paid to School:</u>	= \$5,000.00
350 scheduled hours divided by 450 payment period = 0.777 = 100% Retained/Received	
<u>Tuition Earned by School:</u> 100% of \$3115.00	= \$ 3,115.00
<u>Tool Cost (issued tools/unreturned):</u>	= \$ 1,482.15
<u>Registration Fee:</u>	= \$ 100.00
<u>STRF Fee:</u>	= \$ 0
<u>Total Earned by School</u>	= <u>\$4,697.00</u>

Your refund rights are described in the enrollment agreement and on Page 46 of this catalog. If you have lost your enrollment agreement ask the school for a description of the refund policy.

STUDENT TUITION RECOVERY FUND (Effective 1/1/15, STRF fee is no longer charged)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.
